2017 Insight Strategy Sessions

Who this is for: You have a specific opportunity or challenge that requires focused attention. A goal can be met or outcome achieved within a short time frame (4 or fewer sessions). You are looking for feedback, advice, brainstorming, and resources, provided with a hybrid consulting/coaching approach.

Insight Strategy Session Investment

60-minute session: \$300

Maximum number of sessions: 4

Fine Print

Sessions are conducted on Skype, phone, Zoom, or in person in my downtown Tacoma, WA office.

Session packages of two hours or more may be spread out over a period not to exceed two months from the date of the signed agreement.

You will receive a Pay Pal invoice for the full amount due (unless other arrangements have been made) upon receipt of a signed agreement. Payment is due before the first session. If you wish to pay by check, your check must be received before the first session. Details are outlined in the Insight Strategy Session Agreement.

You are expected to take responsibility for your personal and professional well-being between strategy sessions.
