

## LEGAL RESOURCES FOR ENTREPRENEURS

**Here are some selected resources that provide information about the legal considerations of forming a formal business partnership or relationship.**

*Note: Inclusion of a resource in this document does not imply endorsement or legal advice. This document is for educational and informational purposes only and should not take the place of seeking out the advice of an attorney. Note the date of each source, since laws may have changed since the information was written.*

**From Entrepreneur.com’s Small Business Encyclopedia article on “Partnership”:**

**Partnership:** *A legal form of business operation between two or more individuals who share management and profits. The federal government recognizes several types of partnerships. The two most common are general and limited partnerships.*
